Session 2

August 7th – August 24th

Ages 4-12

4 Days a Week M-Th
9am – 2pm

Program Summary

Our summer program is a mix of high-quality recreation and education combined to provide new experiences, personal growth, and loads of fun. During each session campers participate in exciting activities centered on RECREATION, CREATIVE ARTS, & LEARNING. Our activities take place at the **Broad Channel Athletic Club** facility.

Staffing

(2) Certified Teachers will run each camp session. Each group will be assigned a specific counselor for the duration of the session and they will be assisted by Jr. Counselors as needed. The number of counselors will be dependent upon enrollment. Our dedicated staff will ensure each camper a safe and fulfilled summer experience through low staff to camper ratio and individual attention.

Grouping

The children will be organized in co-ed groups of approximately 12 campers per counselor. Campers will be grouped according to age. Different ages of campers have different interests and abilities; this will allow us to tailor activities to each specific age grouping.

Activities

Each group will spend part of the day in a fixed schedule ensuring each camper has the opportunity to experience every program activity.

What to bring everyday...

1. Water bottle, lunch & snack
2. Towel and a book to read
3. Sunscreen & bug spray

What NOT to bring...

Please do not bring extra items such as sports equipment, stuffed animals, toys, electronic games, or music players. Campers will have a great time just bringing themselves.
